

How Would You Spend \$50

million?

Tonawanda Coke could face up to \$200 million for violation of environmental laws.

Up to \$50 million could be spent on local environmental projects.

We've asked hundreds of residents how they want to spend \$50 million to improve their neighborhoods.

**NOW IT'S TIME TO
DECIDE.**

Vote on the project YOU would like to see funded your community.

VOTE at the following locations:
